

July 16, 2011

Greetings all! I heard it was a great shoot on Saturday and I'm happy to say that everyone survived the horrible heat! We had 32 shooters join us including 2 new shooters.

Welcome to Stickbow (I hope I got the alias right) & Jacob. And I see that Round Belly Ron, Add E Starr & Hannah Call (formerly Hard Hearted Hannah) came back for their second shoot, I bet that means they are enjoying our sport! Kissin Kate rounded out the Buckerettes but where are the Buckaroos???

Congrats to Roys Creek Dan - our overall match winner, and he was clean! Fast and clean - I hear that's the way to do it, now if it were only as easy to as he makes it seem! Honorable mention for only 1 miss goes to LeRoy Rogers, Fast Fingers & Kiamichi Queen.

Reminder - our next shoot is Wed July 27th and our annual Hawaiian shoot is Sunday July 31st. I will send out the gate codes/shoot times a few days before each shoot.

Stay cool and see you soon!

July 10 2011

Greetings to all our wilted Cowboy shooters! OMG, it was so hot today - but thank goodness for our great covered stages and a nice breeze, coupled with the fact that we only shot 4 stages today helped us survive. Oh, and watermelon helped a bit also!

We had 43 shooters join us today and that included 5 new shooters! Stiff Finger Jim brought his granddaughter Add E. Starr and Backwoods Butch brought his granddaughter Hard Hearted Hannah. Both girls handled there guns safely and are going to make great shooters. There were some proud grandpas at the range today! Loansome Buck brought his wife - Loansome Dough for her first shoot (I love their alias!). Stoney Cahill and Round Belly Ron rounded out the group (yes, pun intended!)

Congrats go to Leroy Rogers for coming out on top today - I think it must have been his white t-shirt that did the trick! Honorable mention to Creek County Kid for being the only shooter to shoot clean!

A vote was taken at the shooters meeting to start the next few shoots an hour earlier to help beat the heat. So, next Saturday July 16 the safety meeting will start at 8:00am instead of 9:00am. - I will remind everyone of the new start time when I send out the gate code on Wednesday.

Rock Creek Rustler also announced that the 5th Sunday in July (31st) will be our annual Hawaiian Day shoot - wear you best, funniest, coolest flowerdy shirt, shorts, hats. Anything goes except flipflops - hot brass on a bare toe would not be a good thing!!

Shoot straight !

July 31, 2011

Aloha every one! What a great day we had today at ITSASS. Yes, it was hot, but we had shade and a breeze and it wasn't too bad. Everyone showed up in their best (or worst) Hawaiian outfits. Coconut bras, grass skirts, flowerdy shirts and all manner of Hawaiian themed get ups. Look at the photo attached and you will see what I mean! I think the funniest was Okie One Eye - with the wig, bra, grass skirt AND a fake butt! Hats off to Snorin' Fanny for keeping her coconut bra on all day - that couldn't have been very comfortable - but it was funny! I will be posting pictures on our website as soon as I can stop laughing!

We had 52 shooters join us today - and that is a RECORD for a monthly shoot for us! Yee Haw!! Blue Mesa, Dirty Dan Paladin, Ozarks Jim & Kid Doubleday from the Arkansas Lead Slingers club made the trip from Arkansas. Copper Rose, Printer Doc, Yellowstone Harry, Tail N Kid and Lead Poison (from Kansas) also made their first shoot with us. Visitor Robin D Bank shot all of the stages and after a bit of cajoling, his lovely wife Laura shot 2 - big smiles were seen on both of their faces! They also sent a nice "Thank You" to all the ITSASS club members for making them feel welcome today! Another visitor, Fast Firing Fred shot one stage and vowed to be back. My granddaughter - Hummingbird, shot her very first match, plus picked up brass and she was still talking all the way home!

Congrats to our overall match winner - Leroy Rogers! And he was clean! Way to go Leroy! Atta boys for clean matches goes to Blue Mesa & Fly!

Want to shoot more? Consider traveling to other SASS clubs. We are pretty fortunate to have many great facilities within 2-3 hours from Tulsa. Check out the SASS website for Oklahoma and other states - www.sassnet.com You never know - you just might make some new friends.

Just a reminder - Ruckus is coming up in September and its not too early to get your entries in - see our website for the entry forms - www.itsass.net

We want to thank the Arkansas Lead Slingers for their donations to Ruckus - an entry for the 2012 Fracas at Frisco and Blue Meas for his donation of bullets. Check out their websites for more info - Arkansas Lead Slingers www.arkansasleadslingers.com - Blue Mesa Bullets - www.blumesabullets.com

Everyone try to stay cool and we will see you at our next shoot - Sunday Aug 14th.
