Greetings All! We had 45 shooters joins us on this wonderful fall day! We welcomed Cofachique Dick all the way from Kansas. He joined fellow Kansas shooters - Lead Poison, Add E. Starr & Mankiller. 3 other brand new shooters came to give this game a try - Kentucky Dan, Adam Too Many Guns & Jesse the Kid - I think they all had a blast! Irish Kid brought his son, Lil Dude (BamBam) - who turned out to be a great brass picker! It was great to have him on our posse. Hotdogs were served after the shoot and a good time was had by all!

Congrats to our overall winner - Rowdy Rebel! Clean Match kudos go to Gunny OO & Monto Ska - way to go guys!

During the safety meeting, Burly Bill announced that the ITSASS Christmas Party has been scheduled for Sunday Dec 11 after our regular scheduled shoot. It will be at the clubhouse. We are having a toy/food drive instead of a gift exchange. The club will provide the meat/tea/water, please bring a side dish or dessert. Also, Rock Creek Rustler announced that building the Hotel will be starting soon - so watch for notices about work days.

Our next shoot is scheduled for Saturday Oct 15th - see you then...

What a beautiful day today! The leaves are turning, the air was crisp and we had spiders and bats and brains and rats - what fun! Team Matches were the order of the day. We had to carry a bucket of brains, dig our shotgun shells out from a bucket of spiders, carry a rat and even a lantern. I think everyone had fun with them!

We welcomed new shooter - Two Tall Okie and his lovely wife Chris. CB Barr brought Two Tall out for his first shoot. Both he and Chris left with big smiles on their faces and we hope to see them back again soon. Pumpkin Roller also had some friends come out and I think they were very excited. Brass Rat brought out bullets to sell and ended up shooting on a team - way to step up! Tulsey joined us on Wed and it was his first shoot with us and we were happy to have him. Take a look at the Wed Scores - everyone won their category!

Just an update on a few of our shooters. Leroux Leadslinger is home and recovering well from his recent knee surgery. Sassy Jo is also home and healing nicely from her pelvic fracture. Little Fat Buddy says they now have a \$14,000 dog! (she fell when the dog pulled her off her feet!) Tin Star Larry is still undergoing cancer treatment and we wish him a speedy recovery.

Reminder - our club Christmas party will be Sunday Dec 11th after the match. It will be in the club house at the range. Club will provide the meat, members are asked to bring either a side dish or dessert. No gift exchange, instead we are asking for either canned food or a toy. Items will be given to the Sand Spring Fire Department for distribution.

Next shoot will be Sunday Nov 13th and I will send the gate code a few days before the shoot.

See you then!
